Dear Mr. Hirst

**Approved List of Contractors**

The North West Consortium has considered applications for the above list and I am pleased to inform you that your company has been included on the list for contract work as follows:

Medical Gases

Your company's continued inclusion on the list will be subject to the timely submission of your insurance certificate, annual accounts and the satisfactory performance on any contracts you may carry out.

Now you are a registered Contractor you can update your details with your own personal login. The website has a 'Contractor Access' area which is bespoke to each individual Approved Contractor by password your details are as follows:

Development has taken place which allows Contractors the facility to create on the Consortium website their own mini website. These advertising micro sites are based on a series of template designs so that service providers can promote their own portfolio to potential NHS Clients. If you are interested in advertising via a linked micro site for the very small cost of £50.00 per year please click on "request Micro site" when logged on to the website.

Yours sincerely

Hazel Hillen  
General Manager
