11th September 2019

Dear Mr John Lee

Congratulations, the assessment of your SafeContractor application has now been completed and we are pleased to confirm your accreditation.

We have enclosed your SafeContractor certificate which details the extent of your accreditation. The certificate can be used to demonstrate to clients the high standard of health and safety you have attained and to reduce the burden of completing future prequalification questionnaires.

Should you require further copies of your certificate these can be ordered for £20+ VAT. Please also note that the SafeContractor sticker enclosed is an example of what can be ordered. As part of your accreditation you are entitled to receive up to 5 sheets of A4 stickers (2 small/1 medium) within the membership.

If you wish to purchase additional stickers the cost would be;

A4 - £9.00, including VAT, per pack of 5
Large - £15, including VAT, per pack of 5

Small – 95mm diameter
Medium – 200mm diameter
Large - 285mm diameter

To request stickers or additional certificates please email sc.enquiries@safecontractor.com.

An email confirmation has also been sent with further information regarding your membership now that you have gained an accredited status.

If you require any further assistance, please call us on 02920 266749.

Yours sincerely

SafeContractor Customer Care
